

# OLLIE & SOUS

## CRAFTED EVENTS

We are delighted to offer a unique experience and perfect backdrop for your next event. No matter the occasion or location we provide elevated food and drinks prepared on the spot, right in front of your guests, using custom and one of a kind serving stations.

Our fleet includes two authentic Ape Piaggio fitted with an a.v.p.n. certified Neapolitan brick oven and a three tap draft bar. We also offer a three section live cooking station and a grand server liquor bar.

We strive to meet every client's needs and are always able to customize beyond our menu which can simply serve as inspiration.

We look forward to serving you!

The background features a repeating pattern of light green concentric circles. In the top-left and bottom-right corners, there are illustrations of tropical elements: pink flamingos, red hibiscus flowers, and green palm fronds.
